

Rear bed shaper

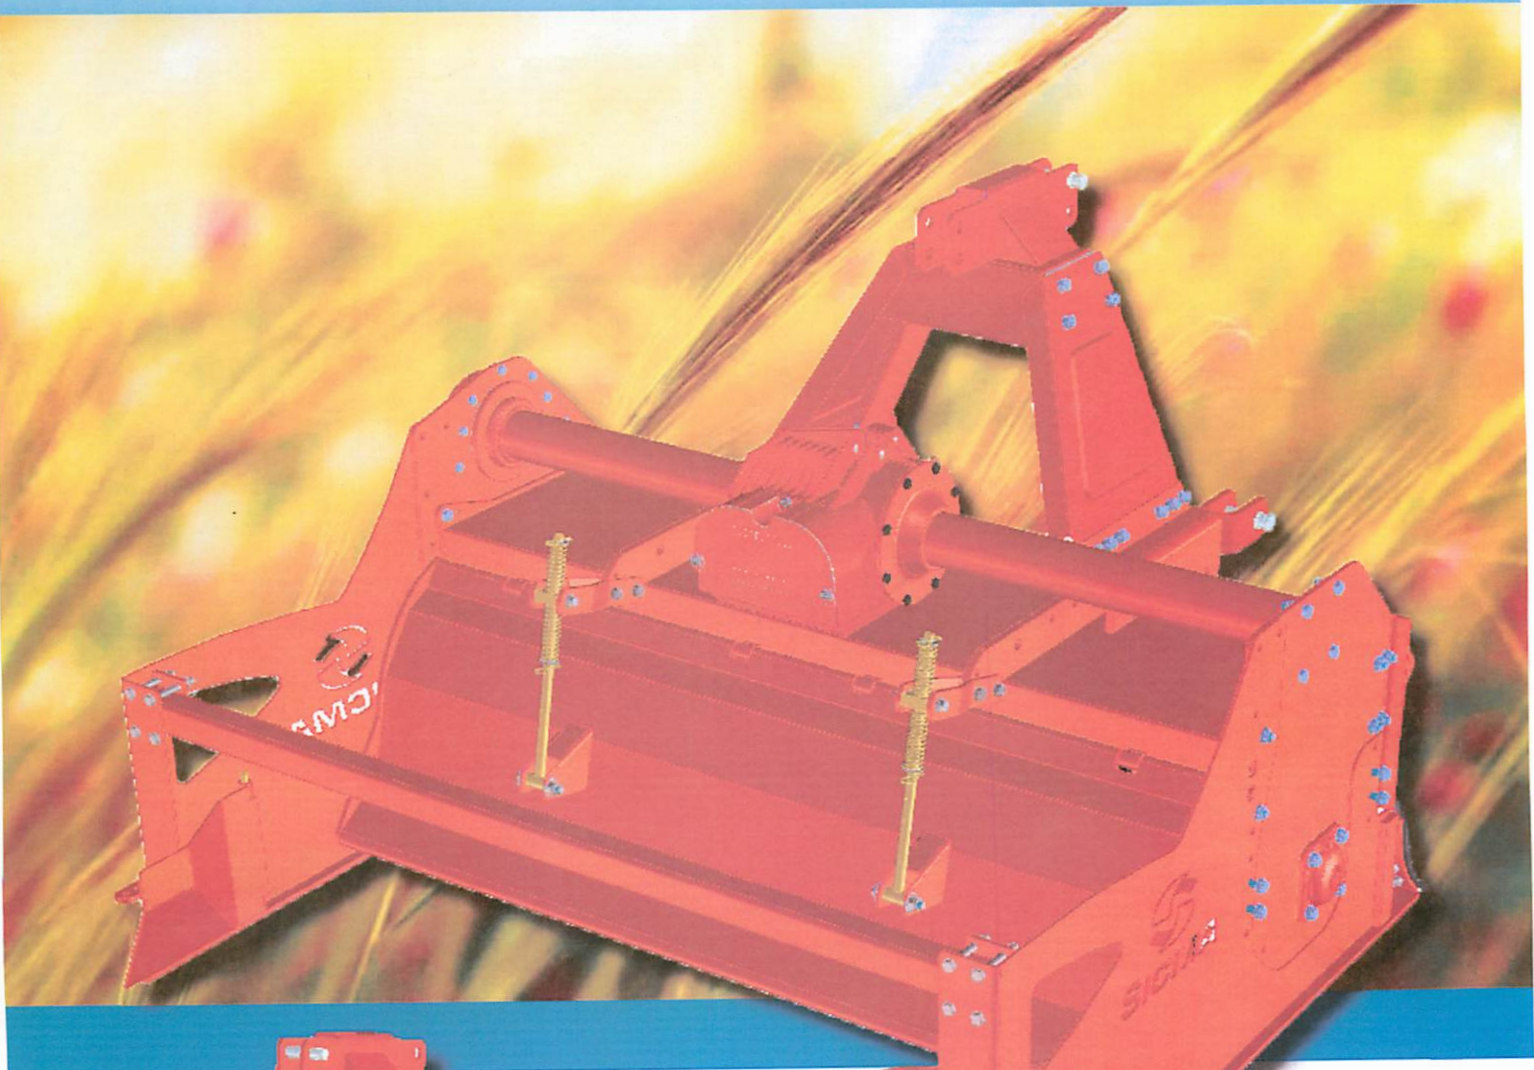

for RG, SPR, RD

BUREAU
VERITAS

MADE IN ITALY

SICMA

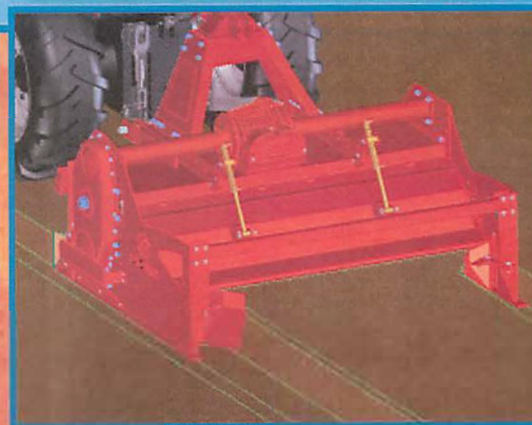

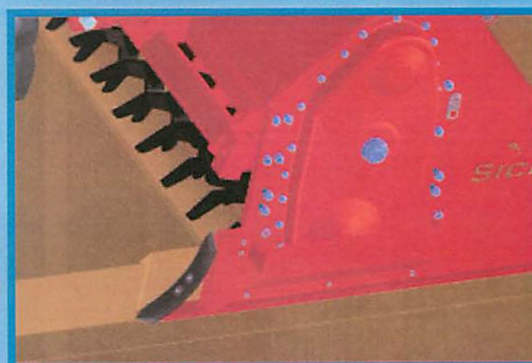

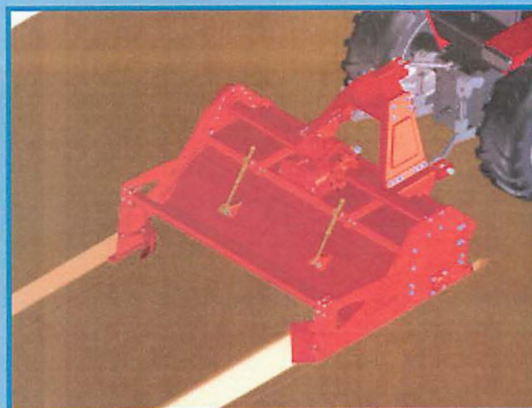

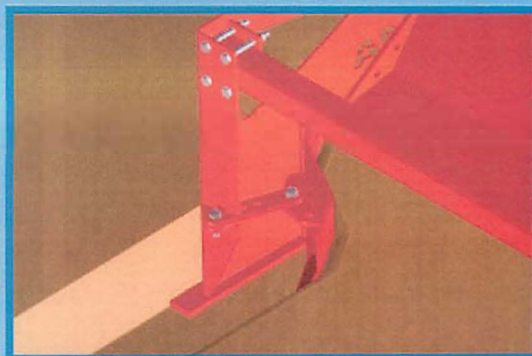

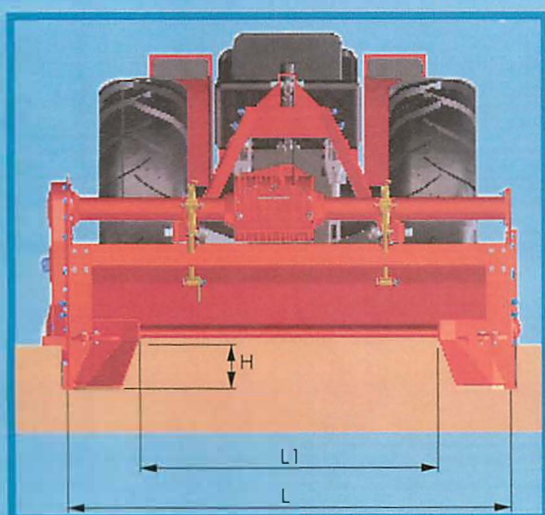

www.sicma.it

Sicma Compost spreader is specially designed to satisfy the needs of spreading compost or other materials in a homogeneous way.

Sicma tiller RG, SPR and RD can be equipped with rear bed shaper, helpful to conform the land and prepare it for sowing.

The rear spring loaded board is adjustable in height, as well as side deflectors, so that it is possible to get different sizes for the shaped bed, as shown in the following table

| MODEL | L (mm) | L1 (mm) | | H (mm) | |
|---------|--------|---------|------|--------|-----|
| | | MAX | MIN | MAX | MIN |
| RD 160 | 1610 | 1370 | 1010 | 200 | 80 |
| RD 185 | 1860 | 1620 | 1260 | | |
| RD 210 | 2110 | 1870 | 1510 | | |
| SPR 160 | 1612 | 1372 | 1012 | 200 | 80 |
| SPR 185 | 1862 | 1622 | 1262 | | |
| SPR 210 | 2112 | 1872 | 1512 | | |
| RG 230 | 2326 | 2086 | 1726 | 250 | 80 |
